Dash Bootstrap Components

This example demonstrates the use of the dash-bootstrap-components package.

```
{% load plotly_dash %}

<div class="container">

<div class="row"> <div class="col-sm-6">

  <div class="{% plotly_class name="BootstrapApplication"%}">

    {% plotly_app_bootstrap name="BootstrapApplication" aspect="21by9" %}

  <\div>

<\div> <\div>
```

This is an alert

Danger

⬭ An example switch
☐ An example checkbox
